

RESOLUTION

REVISING THE PUBLIC INFRASTRUCTURE MAP FOR THE CENTRAL OAHU SUSTAINABLE COMMUNITIES PLAN AREA, WAIPAHU, OAHU, HAWAII, BY DELETING THE COLLECTOR ROADWAY SYMBOL FOR THE WAIPAHU DEPOT ROAD WIDENING PROJECT.

WHEREAS, the public infrastructure map ("Map") for the Central Oahu Sustainable Communities Plan ("Plan") area was adopted by the Council in Resolution 00-63, CD1; and

WHEREAS, upon adoption of the Map, symbols depicted on the prior Central Oahu Development Plan Public Facilities Map were transferred to the Map; and

WHEREAS, among the symbols transferred to the new Map was a collector roadway symbol indicating the proposed Waipahu Depot Road Widening Project ("Project") from Waipahu Street to Farrington Highway; and

WHEREAS, the Project is not appropriate to be on the Map for the following reasons:

- (1) the Project has been shown on the previous public facilities map since 1983 and has not been undertaken;
- (2) implementation of the Project would be contrary to the spirit of the Old Town Commercial Area and its historic ambience as described within the Waipahu Town Plan, dated December 1995; and
- (3) the Project is not included as a community priority project within the Waipahu Livable Communities Initiative, dated May 1998;

now, therefore,

BE IT RESOLVED by the Council of the City and County of Honolulu that the Department of Planning and Permitting is hereby directed to remove from the Central Oahu Map symbol number 21, as shown in Exhibit A1, representing a collector roadway pursuant to the proposed Waipahu Depot Road widening project; and

RESOLUTION

BE IT FINALLY RESOLVED that copies of this Resolution be transmitted to the Director of Planning and Permitting and the Director of Transportation Services.
